To Whom It May Concern:

I have met Mir through our Entrepreneurship Program at the University of Wisconsin and applaud his small business development program for Afghanistan. I think this entrepreneurship program would be beneficial for the vitality of any community, but it should have dramatic impact for Afghan small business development.

Hopefully, after reviewing his plans for the Afghan Business Development Institute you will feel the same way and lend your support to this worthy cause.

Sincerely,

A handwritten signature in cursive script that reads "James J. Weinert".
